

Outcomes from the Travel and Transportation Linkage Group (LG) meeting on 30/11/20:

1. LG members aware of the Schoolgate Project which won the recent Climathon competition and the opportunity for its organisers to present at the upcoming SPC meeting. Everyone present at this LG meeting was very supportive of the project
2. Agreed that the LG needs to have the SPC meeting agenda to have a meaningful discussion in advance of SPC meetings.
3. Next [scheduled SPC meeting is 16th February 2021](#). Next LG meeting agreed for Monday 8th February 7.30-9pm on Zoom. Facilitator: Eoin Buckley
4. Trish Forde Brennan to facilitate the meeting after that (date TBC)
5. LG members aware of the proposal from the Community, Leisure and Culture LG for the Plenary re recommendation to council about the PPN receiving meeting agendas and documentation at least 10 working days in advance of meetings - this is supported by this LG
6. As things progress with LGs, it was recommended that there should be opportunities for LG's to work together/share learning. It was felt that an update from LG's should be included in the upcoming Plenary meeting
