

**Outcomes from the Urban and Rural Community Development and Social Inclusion Linkage Group meeting on 27th January 2021:**

- 1) Very low attendance at the meeting meant the agenda was not covered as planned
- 2) It was agreed that feedback from Linkage Group members would be invited by PPN staff on their views on this Linkage Group and how to make it work well
- 3) It was noted that thanks to input from the PPN representatives on the LCDC, there is now PPN representation on LCDC evaluation committees (there had been none up to recently)
- 4) [@Edel Geraghty](#) to be Linkage Group Facilitator up to and including the next Linkage Group meeting
- 5) The PPN reps on the LCDC to draft a proposal for the Linkage Group this week with regard to the Northern Distributor Road in Limerick - this will be shared on Chatter
- 6) **Next Linkage Group meeting: 7.30-9pm, 21st April 2021. Agenda to be agreed through Chatter with the Facilitator**
