

**Outcomes from Home & Social Development Linkage Group meeting on the 4th of Feb 2021**

- to ask at the next SPC re the Repair and Lease scheme (this was completed - update at next SPC).
- to include the PPN in planning for SIF replacement (to be forwarded to April agenda)
- to get the SPC agenda on time
- overall support for the CKDR statement from the PPN - small changes fed back to Edel.
- further consideration of low attendance at linkage group meetings - is salesforce a blocker, do people understand how it works, is there a better way to communicate meetings, times, etc?
- next H&SD linkage group scheduled for the 14th April, facilitated by Una Burns
