1. About the Secretariat

The Secretariat is the key day-to-day administrative body within the PPN Structure.

The Secretariat:

- The Secretariat is an administrative body that takes its direction from the Plenary of the PPN. Its role is explained in [the national PPN handbook](#).

- Supports the strategic development of the Limerick PPN
- Manages the work of the PPN staff member(s), who acts as the secretary of the Secretariat and who maintains the minutes and correspondence regarding all Secretariat meetings and Plenaries
- The Secretariat operates as a flat structure with no officers. Instead a Facilitator is selected by the Secretariat.
- The role of the Facilitator is explained in the [national PPN handbook](#).
- Monitors on an ongoing basis the activities of the PPN and proposes remedial action where necessary
- Monitors the correct functioning of Linkage Groups
- Communicates, via agreed communications processes, with all PPN members and disseminates information concerning all PPN activities or opportunities that may be of benefit to PPN members
- Works closely with all stakeholders – including Limerick City and County Council and the Department of Rural and Community Development – to enable the PPN to deliver on its vision and aims
