Q&A

What is a Citizens' Assembly?

A 'safe and respectful space' for citizens to come together and discuss **SDG** focused actions for Limerick.

A means to strengthen democracy and involve citizens in meaningful decision-making.

An opportunity for collective learning and experimentation.

What will the UL Citizens' Assembly look like?

An engaging and interactive day out for UL and the community.

An academic cross between 'Strictly Come Dancing' and 'Dragons' Den'.

Why are we holding a UL Citizens' Assembly?

To provide a public focus on sustainability and SDG focused actions from UL that can have a positive impact for Limerick.

To provide a public and inclusive forum to share our collective knowledge and experience about the kind of projects that UL should support.

To provide an opportunity for UL academics to develop their public engagement skills and experience.

To provide the public with a chance to connect with UL academics, ideas and activities.
