Local Enhancement Program (LEP) Funding open for applications

The Local Enhancement Programme 2026 will support groups, particularly in disadvantaged areas, with funding to carry out necessary repairs and improvements to their facilities, and to purchase equipment for example tables and chairs, tools and signage, canopies and training equipment etc. Facilities improvement works may also include, but are not limited to; improved access for persons with a disability; enhancing community participation for disadvantaged and marginalised groups, and; improving energy efficiency of community facilities to reduce ongoing costs.

Any not-for-profit community or voluntary group can apply. Commercial organisations and individuals are not eligible for funding.
