Rose Fitzgerald Kennedy Autumn School Festival

October 23rd-25th

Inspired by the legacy of Bruff and Lough Gur to the American Fitzgerald Kennedy political dynasty, the weekend gathering in County Limerick will explore the life of Rose Fitzgerald Kennedy, mother of President John F Kennedy (three of her four grandparents came from Bruff/Lough Gur).

As well as honouring the matriarch, the School also explores the wider Irish-American emigration experience, from post-famine times to the present day, with a particular focus on women.

Local Community Development Committees (LCDCs) New Informational website is now live

The Department has launched an awareness campaign regarding how Local Community Development Committees (LCDCs) connect public bodies and communities across Ireland. The programme commenced on Friday, May 1st and will run for a three-week period across radio, podcasts, print and online media.

The overall objective of the campaign is to raise public awareness on the role and function of the LCDCs and how they contribute to the development of local communities, through actions contained in each of their Local Economic and Community Plans (LECPs).

The new dedicated web page which can be viewed [HERE](#) is a central hub for information on each of the 33 Local Community Development Committees (LCDCs) and contains information and a series of videos on the following:

- Background of LCDCs
- Watch LCDCs in Action
- Local Economic and Community Plan (LECP)
- Additional Staff Resource (ASR)
- Find your LCDC
- Training for Staff

This resource will also benefit community and voluntary organisations, PPNs, together with local and community development organisations. It is hoped that these groups will utilise these assets to build a stronger on-line presence and gain better traction for their community activities, i.e.. fundraisers, local events, and media posts.

Walking Buddies Limerick- Community Walking Initiative Bringing People Together Across Limerick

Walking Buddies Limerick is a local volunteer-led walking group that has been bringing people together across Limerick for the past number of years through free weekly walks and social connection.

Walking Buddies welcomes men and women of all ages and fitness levels from across the city and surrounding areas.

Every Thursday at 7.30 pm, they meet outside Collins Bar, Dooradoyle, for a relaxed 5–6km walk, creating a welcoming social space for both regular members and newcomers.

The group has become an important support network for many participants, promoting both physical well-being and social connection in the community. In addition to the weekly walks, they also organise longer weekend hikes throughout the year.

These walks are free of charge and designed to encourage people of all abilities to get active, meet others and enjoy the benefits of walking in a supportive group environment. Local fitness and wellbeing partners are also contributing short demonstrations and guidance during the walks.

“Hop To It” and Help Track Local Frogs

Although well known, the common frog (*Rana temporaria*) is Ireland's only native frog species and is listed as vulnerable across Europe. Frogs are considered important biological indicators because their skin is highly sensitive to pollution. Their presence or absence can reveal much about water quality and local environmental conditions. They are protected under both the EU Habitats Directive and the Irish Wildlife Act. Why not participate in the “Hop It” nationwide survey and report your sightings of frog spawn, tadpoles, froglets or adult frogs. These simple records play a crucial role in monitoring frog populations and understanding the health of the environments they depend on.

How to Take Part

If you spot frog spawn, tadpoles, froglets or adult frogs in your garden, local green space or while out walking, you can submit records directly to the IPCC at:

- www.ipcc.ie
- Email bogs@ipcc.ie
- Phone 045 860133

Records can also be submitted to the National Biodiversity Data Centre at

<https://records.biodiversityireland.ie/start-recording>.
